4. A Closer Look At Your Escrow Account History

This chart highlights the differences between the estimated and actual payment amounts for the taxes and shows the reason for the current overage.

The actual amounts paid out for taxes over the past year, as shown here, are used as the basis for our projections for the upcoming 12 months.

The table below details the activity history for your escrow account from last year. The differences in your tax payment amounts are highlighted in yellow.

Escrow Account Activity History For December 2020 To August 2021							
Date	Activity	Payments		Disbursements		Balance

5. A Closer Look At Projections For Your Escrow Account

Escrow Account Projection

Description	Annual Amount
HOMEOWNERS INS:	\$1,594.88
CITY TAXES:	\$694.30
Total Annual Taxes And Insurance:	\$2,289.18
New Monthly Escrow Payment:	\$190.77

The table below details the projected activity for your escrow account. The minimum required balance, highlighted in yellow, is determined by the Real Estate Settlement Procedures Act (RESPA), your mortgage contract or state law. Your account's selected minimum allowed balance or cushion is \$381.54. Your minimum required balance may include up to two months of escrow payments to cover increases in your taxes and insurance.

The actual amounts paid out for taxes and insurance, as shown in the Escrow Account Activity History Table, are used as the basis for our projections for the upcoming year.
